## EG-ZERTIFIKAT ÜBER DIE WERKSEIGENE PRODUKTIONSKONTROLLE

### EC-CERTIFICATE OF FACTORY PRODUCTION CONTROL

**No. 0921 – CPD – 2064**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, amended by the Regulation no. 1882/2003 of the Parliament of European Communities and the Council of 29 September 2003, it has been stated that the construction product according to EN 1504-3:2005

#### **Products and systems for the protection and repair of concrete structures**

##### **Part 3: Structural and non-structural repair**

for the intended use (acc. table ZA.1a of EN 1504-3:2005)

- applying mortar by hand (3.1)
- recasting with concrete (3.2)
- spraying concrete or mortar (3.3)
- adding mortar or concrete (4.4)
- increasing cover to reinforcement with additional cementitious mortar or concrete (7.1)
- replacing contaminated or carbonated concrete (7.2)

produced by the manufacturer **GRACE Bauprodukte GmbH**  
**Pyrmonter Straße 56**  
**D-32676 Lügde**

in the factory **Werk Essen**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body

#### **QUALITÄTSGEMEINSCHAFT DEUTSCHE BAUCHEMIE<sup>EV</sup>**

has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in the Annex ZA of the standard

**EN 1504-3:2005**

in conjunction with EN 1504-8:2004 were applied.

This certificate was first issued on 28. April 2009 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Frankfurt/Main, 28. April 2009
